New Structure explained

Boho course 2 casual

I'm taking course two (term 2) in a different direction. I don't have the full 9 weeks to teach this term so I've come up with a plan to suit many of and try something new. I'm hoping this structure will prevent any "carrying over" and keep it all within the term. All feedback is gratefully received

The dates for classes are individual and will be treated as that rather than a block of dates. This will give all of you flexibility to achieve your goal. You do not have to book a full course but book by the class. For example you may only want to come for 1 or 2 classes to finish your project or you may want to book an intensive week to start and finish a project. Or you may wish to come for the whole 27 classes! That is 60 hours of teaching time! You get to choose. The only thing I ask is that you book 1 week in advance and pay enrolment fees when you book. There is a limit of 5 people per class.

Rates: \$45 per session. x5 or more \$40 per session

Please pay into 12-3158-0037608-00
